1579—"The Bridge At Dusk"

Printed in U.S.A.

A man's world of flavor in a filter cigarette

You're on the right side of mildness . . . the rich side of flavor in Marlboro country. You're smoking a finer, richer breed of tobaccos—aged for years to suit Marlboro's famous Richmond, Va., recipe. The Selectrase Filter smooths it out, but doesn't tame the taste.

Settle back with Marlboro. You get a lot to like.
